#### Correspondence:

President Rada read a letter from our insurance company. We have until October 1, 2016 to get the repairs done. If mar. Koll can not do it, it was suggested Pleasant Dale Lumber, or Daykin Lumber be called.

#### New Business:

Jamie Karl put up a face book page for the museum. "Saline county museum"

We received \$500. From Michael Neudra. And a memorial from the Jolene Prokop estate.

Our windmill is up. Stan Jacox donated, set it up and will maintain the windmill. It was made in Crete. A discussion was held about insuring it. A discussion was held on putting WIFI in the museum.

The museum will open in April depending on the weather.

Larry suggested putting a light on the wind mill tying it into existing electricity. Verne made a motion to put up a flag and pole with a light. Eric seconds the motion motion carried.

Judy suggested we build a lean to west of the main building to hold the research material, from the A.C. to the end of the building south, and run it to the north as an open lean to house machinery 60x12 feet. Suggested builders, daykin lumber, Henry Rahorst and Pleasant Dale Lumber.
