Directives, as provided from the Property Tax Administrator, are followed to ensure that the assessment practices in Saline County are uniform and proportionate. Our office closely adheres to the written procedures and rules.

The office lists complete all residential, rural residential and commercial pickup work. Agricultural, commercial and residential sales reviews are completed by the assessor and staff appraiser. Industrial permits and reappraisals in Saline County are completed by Great Plains Appraisal Company. Property is reviewed as deemed necessary to be in compliance with the statutes and to achieve equalization within our county. It is our constant goal that everyone be treated fairly.
