From: Saline County Board of Commissioners
Subject: PUBLIC NOTICE – Board of Commissioners Meeting held via telephone conference call

In light of current public health concerns regarding COVID-19, and as so advised and authorized by Executive Order via the Governor of the State of Nebraska, governmental bodies are provided an opportunity to meet for their open meetings obligations, while practicing social distancing to help protect public health, by conducting meetings via telephone conference calls through May 31st if the public is provided with an effective way to monitor such calls.

In order to make such meetings available to members of the public, including media, giving citizens the opportunity to participate, as well as be duly informed of such meetings' proceedings through advanced publicized notice and agenda requirements for public meetings, the following is provided to all that wish to remain connected to the County Board of Equalization and County Board of Commissioners meetings slated to be held via Conference Call until further notice.

You may dial in to this meeting using your phone. *(Long Distance Rates may apply…)*
United States: +1 (571) 317-3116 | Access Code: 498-211-581

To best ensure that this meeting would be conducted as efficiently as possible, all members of the public who wish to address the Board(s) during "Citizens Forum" can submit brief, written comments addressed to clerk@saline.nacone.org prior to the start of the meeting – whereas those comments can be read openly as if during a normal, in-person meeting at the appropriate time.

We ask everyone to be understanding of the process at this time.
